Wildfire Response & Recovery Update

September 16, 2020

The Oregon Office of Emergency Management, in coordination with the Oregon Department of Forestry, Oregon State Fire Marshal, Oregon State Police and other state and federal partners, will distribute this daily update, collating verified information on the wildfire response.

SITUATION SUMMARY

More than 6,000 fire personnel are assigned to fires in Oregon and across the nation. This doesn't include the many government emergency response employees or community members who are contributing.
