Educating our Community for Success

Letter from the
Chief Executive of EdAct

Dr S M Tranter

Dear Parents and carers,

I hope that this Newsletter finds you well.

Your children may have told you, and of course we informed you ourselves, that last week ECS was inspected by Ofsted. The last time we were inspected was in 2018 and much has changed in our school and I was delighted to have the opportunity to talk to the inspection team about the great work that is being done to help provide your children with the best experience possible.

The inspectors spent a lot of time in lessons – from Reception to Year 13 lessons and talked to groups of students about their views of our school. They also looked at the schemes of work to ensure that we are teaching all the right things at the right time, the systems we have in place to manage inclusion, promote good attendance and excellent behaviour.

The full report will not be available for several weeks but I will let you know when it is ready for you to read. The school gave a good account of itself, and the inspection team were complimentary about the children - how polite, respectful and confident they are. They were well behaved during the inspection and this is appreciated.

The school will be closed on Monday 6 May 2024 for the May Day Holiday and resumes on Tuesday 7 May as normal. I hope if you aren't working on Monday that you are able to enjoy the day with your family.

Yours sincerely,

A handwritten signature in black ink.

POLITE NOTICE:**RE: Parking On And Around Little Bury Street**

Please could drivers be considerate of local residents, pedestrians and other parents/carers when dropping off and picking up students from school, and refrain from illegally parking on pavements, zig-zag lines and across driveways.

Blocking the roads and parking on yellow lines means you are putting pedestrians and other road users at risk as it narrows the road and obstructs other drivers or emergency vehicles from getting through.

Please help keep our children and the community safe

JACK PETCHEY ACHIEVEMENT AWARD WINNERS 2024

On the 23rd April 2024 at Millfield Theatre Enfield there was an Awards Evening to celebrate all the Jack Petchey winners in Enfield. Congratulations to all our student Jack Petchey Achievement winners and Mrs Ayer, our Expressive Arts Technician, who won a Leaders Award after working at Edmonton County School for 30 years - she got a huge round of applause from the audience!

The evening was a great success for the winners and their families, they also got to meet students from other schools that had achieved the same awards which was a good experience .

JACK PETCHEY ACHIEVEMENT AWARD WINNERS

Well done to everyone who received an award and everyone who supported it - Congratulations!!

Ms J Shilvock
Head of Expressive Arts Faculty
Jack Petchey Coordinator

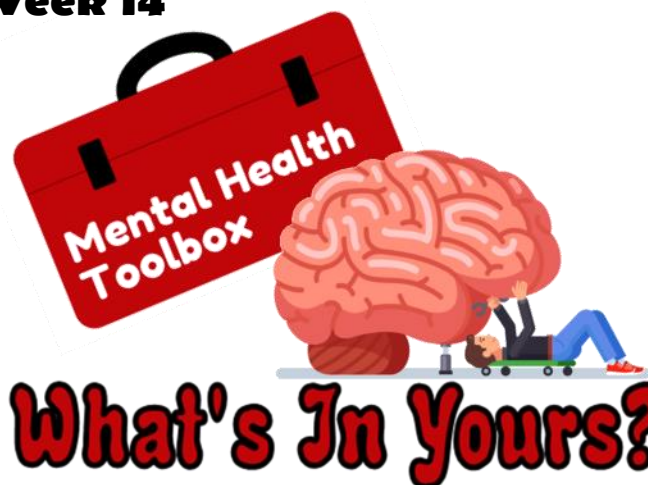

About the Foundation

The Jack Petchey Foundation was set up to inspire and motivate young people across London and Essex by providing exciting projects and programmes for them to get involved in. We also recognise the outstanding achievements of today's young people by awarding them for their hard work and positive impact in their community.

About Sir Jack Petchey

Sir Jack Petchey CBE set up the Foundation to encourage young people in London and Essex to work hard and reach their full potential. He believes each and every young person should be given the chance to achieve. As he always says; *"If you think you can, you can!"*

Week 14

As we begin the Summer Term and holidays are on the horizon. We head into exam season and with it brings a whole host of new challenges and priorities that require our attention.

The demands that arise are ever present and now is the time to make sure our wellbeing is a priority. It is so important to keep ourselves topped up with coping strategies and opportunities to look after ourselves. Now more than ever it is vital that we use all of our available resources to keep ourselves well.

These are things that we can do for ourselves to maintain our wellbeing and reduce the impact of external factors, such as stress, and illness. This time of year, can bring about additional pressures that require extra effort to keep our minds and bodies well.

Wellbeing tips and strategies can sometimes ease these pressures. An example of this is a healthy diet, exercise, breathing exercises and relaxation.

Each week we will share a wellbeing tip and a positive affirmation that can be used as an aid to put in your 'toolbox'.

Wellbeing Tip

This week's tip is...

Research has shown that when we show kindness to others and do something to benefit someone else, we also benefit our own health and wellbeing.

Being kind doesn't just feel good inside, it can actively reduce stress, increase resilience and help us solidify our connections with others. Regularly practicing kindness bolsters our ability to cope with the stresses that life can bring, in the same way that yoga or mindfulness can. Going a step further and actively keeping track of our kind acts towards others has been said to boost our happiness levels - the more acts of kindness we perform, the happier we become. Why not give it a go this week!

Inspirational Quote

This week's inspirational quote...

How do we change the world? One random act of kindness at a time
