

## Disclaimer

Investment in securities market are subject to market risks, read all the related documents carefully before investing. Please refer the Risk Disclosure document issued by SEBI and go through the Rights and Obligations and Do's and Don'ts issued by Stock Exchanges and Depositories before trading on the stock exchanges. For commodities derivatives, please note that Commodities Derivatives are highly leveraged instruments. Before investing in the asset class, consider your investment objective, level of experience, and risk appetite carefully. This is prepared by Sharekhan and is not for any type of circulation. Any reproduction, review, retransmission, or any other use is prohibited. Sharekhan shall not be responsible for any unauthorized circulation, reproduction or distribution of this material or contents thereof to any unintended recipient. Kindly note that this video does not constitute an offer or solicitation for the purchase or sale of any financial instrument or as an official confirmation of any transaction. This material is prepared for assistance only and is not intended to be and must not alone be taken as the basis of an investment decision. The value of the investments may be affected generally by factors affecting financial markets, such as price and volume, volatility in interest rates, currency exchange rates, changes in regulatory and administrative policies of the Government or any other appropriate authority (including tax laws), or other political and economic developments. Please note that past performance of financial products and instruments does not necessarily indicate the prospects and performance thereof. The investors are not being offered any guaranteed or assured returns. The services mentioned in this video are not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject to Sharekhan and affiliates to any registration or licensing requirement within such jurisdiction. The securities quoted are exemplary and are not recommendatory. Persons in whose possession this video may come are required to inform themselves of and to observe such restrictions. While we would endeavour to update the information herein on a reasonable basis, Sharekhan, its subsidiaries and associated companies, their directors and employees are under no obligation to update or keep the information current. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of use of the trading platforms mentioned herein. The trading avenues discussed, or views expressed may not be suitable for all investors. This is purely an educational and knowledge sharing initiative by Sharekhan and the views expressed herein is just for information and should not be considered for investment, trading or as recommendation. This information is only for consumption by the client, and such material should not be redistributed.
