

# SCHOOL P47992 STOP

### **IMPORTANT NOTICE - NO STOPPING**

Please take great care around the school area. Drivers, please take responsibility and avoid parking near the school to ease the congestion. Parking on yellow lines, corners of roads or

blocking the driveways of residents (even for a few minutes), is not safe for others.

Please park away from the school in the many side roads and walk the last part of the journey. Please allow more time for your morning and afternoon route, to avoid rushing and making unsafe decisions.

As part of our topic: Food and growing the children in Dragonfly class planted some cress seeds the first week back after half term.

The children looked after the cress by making sure their pots were kept in the sunshine and watered.

After 7 days the cress had grown enough to eat!

This week the children all made their own cress sandwiches
