

Look at the birds  
of the air;  
they do not  
sow or reap  
or store away  
in barns,  
and yet your  
heavenly Father  
feeds them.  
Are you  
not much  
more valuable  
than they?

- Matt. 6:26

## Bird Finger Puppet Instructions

- You need: **Finger puppet bird pages, scissors, and a gluestick/tape.**
- Cut out one bird template, along with the small white rectangle shape!
- Pinch and glue both sides of the beak together.
- Glue the 2 sides of the body together so it fits around your pointer finger.
- With the white rectangular piece, glue it into a circle that fits around the top of your pointer finger. Glue this circle into the underside of the bird's head.
- Test the finger puppet by putting your finger through the 2 rings.
- Glue the wings to the back of the body and then fold the wings back. Move your hand up and down to make the wings flap.
