

Daffodil Split Pin Paper Craft

1. Carefully, cut out the pieces of the flower along the solid black outlines.
2. Using a hole punch, create holes in the pieces, where shown.
3. Arrange the pieces so that the holes line up in order 1-3 (1 being at the top).
4. Place a split pin through the hole and hold out the pins flaps locking the pieces in place.
5. Ruffle the middle sections by folding the sides upwards to create a 3D effect.
