# aCOUSTIC– new colours

## Bluetooth speaker

A Kreadfunk classic wrapped in new colours!

The new colour pallet matches aMAJOR 2 and is a great addition to our colourful universe.

aCOUSTIC still dazzles you with its crisp sound wrapped in an appealing design.

It has all the features and functions you know from the original aCOUSTIC, which has amazed us the last 4 years.

# toCHARGE GO

## In-ear headphones, wireless charger and powerbank

If you ask us, we've outdone ourselves. This little fellow is nothing but genius. Why? We've combined a powerful power bank with built-in earbuds.

Introducing toCHARGE GO - the ultimate travel companion for life on the move! This sleek, compact gadget not only charges your phone, speaker, or headphones with wireless charging but also features magnetic attachment for compatible iPhones.

Made from 100% recycled GRS plastic, the toCHARGE GO offers active noise cancellation (ANC), water-resistant earbuds (IPX4), and a robust 5000mAh battery. Enjoy up to 6 hours of playtime, with quick charging for both the power bank and earbuds. With a foldable design, toCHARGE GO is your perfect portable companion for seamless connectivity and convenience.
